

College Policy Changes: MAY 2023

College Policy Manual changes for May 24, 2023**TOR06 Joint Health and Safety Committees**

Reviewed (April 3, 2023)

The terms of reference for the Joint Health and Safety Committees underwent its five-year review. No changes were made other than one cosmetic change to a position title in Appendix A.

TOR22 Information Technology Fee Management Advisory Committee

Amended (May 23, 2023)

The Information Technology Fee Management Advisory Committee terms of reference underwent its five-year review. Amendments include updates to the governance structure of the committee to reflect changes made in the past several years. The President of the College had suggested approvals be made at an appropriate level of the College. Changes in how committee members are selected are also documented.
