

RESEARCHING AND CHOOSING A SCHOOL

This section is to help you determine what school best suits your learning style and training needs. It is your responsibility to investigate all of the available courses in your chosen field. If available, gather the information from a minimum of three (3) schools and indicate which one you have chosen.

These questions will help you make the best choice when researching a training provider.

OPTION # 1

SCHOOL DESCRIPTION

School: **Fanshawe College**

Contact person: Office of the Registrar Phone: 519-452-4277

Is this school registered as a Private Career College in Ontario? **No**

If no, please explain: **College of Applied Arts and Technology**

Is this course eligible for OSAP funding? **Yes**

Is this training provider certified to give T2202A tuition tax receipts? **Yes**

COURSE INFORMATION

Photography

This course is offered: **Full Time**

The Photography program provides training for students in the professional aspects of the photography industry. Digital SLR instruction will prepare the student for work in photojournalism, architectural, advertising, fashion, product, industrial, public relations, portrait, wedding and group photography. Students will be introduced to the fundamentals of video and studio capture DSLR cameras. Production work includes instruction in black and white, and colour using digital printing systems. This program integrates the use of high-end laptops, digital imaging and video editing software in the curriculum.

PROGRAM ELIGIBILITY CRITERIA:

Admission Requirements for 2014/2015

OSSD with courses from the College (C), University (U),
University/College (M), or Open (O) stream

OR

Academic and Career Entrance Certificate (ACE)

OR

Ontario High School Equivalency Certificate (GED)

OR

Mature Applicant with appropriate preparation

Recommended Academic Preparation

- Grade 11 or Grade 12 Foundations for College Mathematics (C)

- Grade 12 Business and Technological Communication (O)
- Grade 11 or Grade 12 Communications Technology (M)
- Grade 12 Media Arts (O)

Recommended Personal Preparation

- Applicants to the Photography program should determine if they suffer from impairments which might hinder their visual judgment. An assessment of the range of the individual's colour perception would be valuable.
- Applicants are also alerted to the physical demands of photography employment including long hours of work and a need to carry heavy loads of equipment over long distances.

Other Information:

- Students entering the first level of the program in January will continue into level two of the program in the Summer Term and level three in the Fall Term.
- Students are expected to provide their own digital SLR camera with HD-Video capability (approximately \$1,700.00 - \$2,300.00), a compatible external hot-shoe mountable flash (approximately \$500.00), hand-held light meter (approximately \$300.00 - \$450.00) and a USB or Thunderbolt external hard drive (1 TB minimum) (approximately \$150.00).
- The Photography program is associated with the Professional Photographers of Ontario (PPO) and the Professional Photographers of Canada (PPOC).

COURSE DETAILS

London Campus

Course length (# Weeks): **60 weeks**
 Number of hours per week: **17-19**
 Course start date: **September 2014**
 Schedule of hours: **Varies each semester**
 Schedule of hours: **Monday – Friday 8am – 5pm**
 Course finish date: **April 2016**
 Is this start date flexible? **No**

COST OF TRAINING COURSE/PROGRAM:

Cost of training course/program: (Based on 2013/2014 Tuition Fees)
 (Fees for 2014/2015 available June 2014)

Totals	\$5,350.04	\$3,794.04	\$3,422.04	\$3,071.04

Total Cost: \$15,637.16

Note:

Tuition fees are charged per term. Students who pay less than the Total Balance Due in one payment and have met the minimum payment to be registered will be assigned a payment plan with due dates. The installment payment plan is subject to a non-refundable payment plan administration fee of 6.25% of the balance owing after the first payment is received. ***The payment plan administration fee is charged once per term.***

Admission related fees, when applicable:

» **English Language Evaluation Test (ELE) - \$60.00**

- For applicants for whom English is not their first language.

» **Subject Challenge Exams - \$96.00**

Challenge Exams are used for admissions purposes:

- When an applicant has completed the learning, but does not have proof of a grade (i.e. English, Math, Chemistry, Biology, and Physics). The challenge exam shows that the individual has the skill set that meets the minimum grade requirement.
- When an applicant has completed the learning, but does not meet the minimum grade requirement.

**** Challenge exams cannot be used in lieu of a subject requirement when prior learning has not been completed.****

EVALUATING THE SCHOOL / FOLLOW-UP QUESTIONS

1. Did you meet the instructor/s prior to selecting this school? Please explain.

2. Have you contacted local employers to see if the training is acceptable to them?
