Greetings from the Fanshawe Student Union

Dear graduates of Fanshawe College,

I stand before you today as the president of the Fanshawe Student Union, filled with pride and admiration for each and every one of you. Graduating from college is no small feat, and I want you to take a moment to truly appreciate the hard work, dedication, and resilience that has brought you to this moment.

The life of a student is not easy. Balancing academic responsibilities with work, volunteering, and everything else life throws at you can be a struggle, and I am sure you all experienced moments of doubt along the way. Yet here you are, standing tall, because you have conquered every hurdle that came your way. You have proven that you are capable of achieving greatness, and for that, you should be immensely proud of yourselves.

As you move forward from this moment, remember that the journey does not end here. This is just the beginning of a new chapter filled with endless possibilities and opportunities. Embrace the challenges that come your way and continue to push yourself to new heights, never forgetting all you learned here at Fanshawe. Believe in yourself, trust in your abilities, and never lose sight of your dreams.

Congratulations, graduates. The world is waiting for your incredible talents. You all have the potential to shine, and I have no doubt that each of you will go on to do amazing things. Thank you for inspiring us all with your determination and perseverance.

Now, go forth and conquer the world.

Lori Higgs

Vice President, Clinical Support and Chief Financial Officer,
St. Joseph's Health Care London

(Tuesday, June 18 at 10 a.m.)

Lori Higgs is the Vice President, Clinical Support and Chief Financial Officer for St. Joseph's Health Care London (St. Joseph's) and has more than twenty years of progressive leadership experience in the health care industry.

She joined St. Joseph's in September 2007 as the Director of Finance and also held a one-year interim role as Executive Associate for the shared President and CEO of St. Joseph's and London Health Sciences Centre. In 2011, Lori became the Vice President, Corporate Services and Chief Financial Officer with responsibility for security, parking, transportation and financial services. In 2014, she moved into her current role as Vice President, Clinical Support and Chief Financial Officer. In this role, Lori provides leadership to teams with over 500 staff in the areas of finance, inventory and logistics, procurement and contract management, environmental services, patient food and nutrition services, retail food and health information management. Lori is accountable for all aspects of oversight, resource planning and financial reporting for the annual operating budget of more than \$500 million as well as the hospital's investment management strategy.

Prior to joining St. Joseph's, Lori worked at Ernst & Young in London, Ontario for eight years in the Assurance and Advisory Business Services practice. She served a variety of clients ranging from sole proprietorships to international public companies, as well as not-for-profit organizations.

Lori has a BA in Administrative and Commercial Studies from Western University, a Diploma in Accounting from Wilfrid Laurier University, and a Chartered Professional Accountant designation.

Lori received the Aspiring Leader Award at St. Joseph's, one of the St. Joseph's President's Awards in 2009. She was then named as one of Business London Magazine's Top 20 Under 40 in 2013 in recognition of business achievements, industry innovation and community involvement. Lori was also one of 50 individuals selected across Canada for appointment to the Canadian Board Diversity Council in 2017. In 2021, Lori was nominated for and received the distinction of Fellow (FCPA) by CPA Ontario. This designation formally recognizes CPAs that have rendered exceptional service to the accounting profession and outstanding contributions to their communities.

In addition to her professional experience, Lori has participated on a National Task Force with the Public Sector Accounting Board and several provincial committees with the Ministry of Health and the Ontario Hospital Association, all of which have provided her with the opportunity to influence and shape the future direction of accounting standards for not-for-profit organizations, and hospital funding and policy decisions. As well, she has served in a volunteer capacity with Big Sisters of London, Brescia College, the London Chamber of Commerce, the City of London, the United Way Elgin Middlesex Campaign Cabinet and as past Chair of Fanshawe College's Board of Governors. Lori is currently serving in a volunteer capacity on Western University's Board of Governors, Mohawk Medbuy Corporation's Board of Directors, the Congregation of the Sisters of St. Joseph in Canada Finance and Investment Advisory Committees as well as the Ontario Hospital Association's Finance and Audit Committee and Labour Relations Committee.

Dr. Valerian Marochko

Executive Director, Cross Cultural Learner Centre

(Tuesday, June 18 at 3 p.m.)

Valerian (Valy) Marochko has been the Executive Director of the London Cross-Cultural Learner Centre (CCLC) since 2009, where he has transformed the organization into a highly effective multi-service provider focused on refugee resettlement and newcomer settlement services. Valy has a diverse background, holding a Doctor of Science from AgroParisTech, France, and an MBA from Ivey Business School, Western University. He has worked for the development of Collège Boréal in London and served as a consultant for esteemed organizations such as the United Nations, the World Bank, and the Harvard Institute for International Development, as well as various international business ventures and non-governmental organizations.

Valy's passion lies in creating inter-organizational structures and community supports that aid the successful integration of newcomers in Canada. He holds designations as a Certified Management Consultant and Certified Program Planner. Valy contributed to COVID-19 response efforts and promotes diversity, inclusion, and immigrant integration through his work at the CCLC. He is also involved in various boards and committees, including his past role as Vice-President of the Ontario Council of Agencies Serving Immigrants. Outside of work, he enjoys hiking and writing, balancing his commitment to community development with personal interests.

Garth Jansen

CEO, Employee Wellness Solutions Network

(Wednesday, June 19 at 10 a.m.)

Garth Jansen, a proud London native, grew up in a small town east of the city. Educated in London's dynamic academic environment, he transitioned from a successful 15-year career in finance to entrepreneurship when he and his wife founded Employee Wellness Solutions (EWS) Network. The company recently celebrated 20 years of service helping organizations focus on the health and well-being of their employees. EWSNetwork has also served as a vehicle through which Garth has contributed to supporting London families in the rental housing market. Garth's commitment to community service shines through initiatives like the annual Jansen Christmas Toy Drive - now entering its 10th year - benefiting over 6,000 local children. Garth remains actively engaged in empowering youth through coaching triathlon and promoting bike safety in schools, reflecting his enduring dedication to uplifting others.

Marc Cantin

Superintendent, D. Grant Construction

(Thursday, June 20 at 10 a.m.)

Marc Cantin was born in Detroit Michigan August 22, 1966. The fourth of six children of Jean Paul and Bettie Lou Cantin, he grew up in the suburb of St. Clair Shores, attended public school and graduated in 1984. Marc joined his father's construction company and started his apprenticeship working along with his three brothers, cousins and all his uncles. Taught by some of the best Carpenters, Marc learned his trade well. In 1986, Marc met and fell in love with Pauline Regier, a local Canadian farm girl from Zurich. The two married in November of 1988 and together built their forever home in Nairn, Ontario. Marc started his career with Duo Building as a lead hand, went to GW Harkness where he focused primarily on commercial and institutional construction. Marc joined D. Grant Construction in 1995 and was immediately promoted to Superintendent where he has enjoyed a long, wonderful career. Marc has built many schools, libraries, long-term care homes, hospitals and retirement residences, however is best known for his work at Fanshawe College over the past decade including the Wellness Centre and most recently Innovation Village. Marc and Pauline raised four children, enjoy their nine grandchildren and spending time with family and friends. Marc's passion aside from construction, is promoting the Cantin family history which includes the conceptual process of the St. Lawrence Seaway, the founding of St. Joseph Ontario, along with St. Andre' Bessette, the founder of St. Joseph's Oratory in Montreal. Marc and Pauline have been touring with his major reliquary and conducting speaking tours since 2011. They have turned their home into a living museum and actively participate in their St. Joseph and area historical society.

Fanshawe College Gonfalons

Gonfalons – crested, symbolic banners – have been a part of various religious, military and community ceremonies for centuries. Fanshawe’s gonfalons pay homage to this time-honoured tradition, while providing visual identities for each of our academic schools. They were designed and created by members of the London Embroiderers’ Guild.

Applied Sciences and Technologies A river dominates this banner, symbolizing not only the natural basis for all science, but a unifying flow between the different areas of science and technology. Manufacturing, electrical technology and biotechnology are represented by a gear, a transistor and a microscope. The small symbols in the river point to weather, physics, ecology, biology and chemistry, all of which are vital components of the science and technology programs at Fanshawe.

Arts and Culture This gonfalon was designed to incorporate various aspects of art and culture, including music, dance, fine art, theatre and literature. The score and piano keys represent music (the notation is for “O Canada” – a reference to Fanshawe’s geography). The book represents literature and sketching, as well as collecting ideas as part of the creative process. The pens, paintbrushes and script all refer to various artistic disciplines. The figure at the bottom is in movement, suggesting dance in all of its forms.

Building Technology This gonfalon depicts a series of buildings against a waterfront skyline with a crane hoisting a load of material toward a roof. In the foreground, a bridge spans a body of water. Much of the construction, building and planning is implied in the images. The gonfalon has been executed in a manner not unlike the construction process: i.e. planning and consultation, developing a mock-up, then execution by groups or individuals with different skills, the use of both hand work and machine work using traditional and modern materials.

The back of the banner is a partially constructed brick wall – a familiar construction material and method, particularly in Eastern Canada.

Business and Management The Business and Management gonfalon features two hands engaged in a handshake over a globe. The handshake is a symbol of cooperation, while the globe represents the international nature of modern trade. Together, they suggest economic interdependence, as well as the importance of sharing resources. The banner is lined around the outside with symbols of modern currencies, including the pound, the kronor, the rial, the euro, the rupee, the dollar, the shekel, the won, the guilder, the baht, the tugrik and the yen.

Community Studies This gonfalon is built around the image of the tree of life. It is surrounded by people of all ages, holding hands in a gesture of support and cooperation. The people form the shape of a heart, which symbolizes caring, compassion and self-awareness. There is also a heart among the shapes in the tree. It is joined by an open book for learning, a helping hand, an apple for good health and a butterfly representing transformation, all of which form the foundation of Human Services.

Contemporary Media Fanshawe’s location is marked with a star on the globe and is surrounded by bolts of energy, symbolizing broadcasting. The piece is united by a roll of film that winds around icons signifying different branches of the arts, including a camera, a paintbrush, the @ symbol, a theatrical mask and a treble clef. Together, the symbols represent Fanshawe’s focus on all types of traditional and modern media.

Fanshawe College Gonfalons

Design This design is based on one of the most perfectly proportioned and visually beautiful creatures of nature... the nautilus sea shell. The ratios of its chambers are the same ratios seen in countless examples of nature's works and man-made art. Called the Golden Mean, this mathematical wonder is one of design fundamentals that creates beauty, harmony and symmetry. The students of the School of Design strive to ensure all design work they create embrace these essential qualities that enhance all aspects of our lives.

Health Sciences The principle feature of the Health Sciences gonfalon is the staff of Asclepius, which is the universal symbol of medicine and the healing arts. It is accompanied by several smaller symbols: the Star of Life, representing paramedics and emergency services; an intertwined delta omicron, representing dentistry; a mortar and pestle, representing pharmacy; two stylized human figures, representing good physical and mental health; and an atom, representing nuclear medicine.

Information Technology This gonfalon expresses movement, dynamism and the human element of modern information technology. The silhouettes of four people on the globe represent those who both work in this field and benefit from the continuously evolving technologies. The large @ symbol is instantly recognizable for the movement of electronic information and a bronze tail encircling the globe signifies the rapid and efficient movement of information. Binary code on the tail reminds the viewer about the deceptively simple encoding of information and the bronze silk reflects the copper coloured metals and wires that form the hardware inside computers.

Nursing The Nursing gonfalon draws its design inspiration from the stained glass window in the School of Nursing lounge. It has two main symbols: the lamp and the books. The books represent learning – the deep and sturdy foundation that supports the modern nurse. The flame coming out of the lamp invokes the nurse's comforting, life-giving spirit and suggests reaching higher. The hand and heart inside the flame represents the caring and helping of others. The lamp is a tribute to Florence Nightingale, known as the 'The Lady with the Lamp' due to her habit of making her nursing rounds at night. Her compassion and commitment to patient care laid the foundation for nursing as a profession.

Tourism and Hospitality The globe is a central feature of the Tourism and Hospitality gonfalon. Along with the airplane, it signifies not only travel, but the exciting opportunities that exist around the world for tourism and hospitality graduates. The three figures at the bottom represent culinary arts, management and leadership – qualities associated with graduates of food and nutrition, recreation and hotel management programs.

Transportation Technology and Apprenticeship The gears on this banner bring together highways, cars and trucks, a tractor, a service centre and students, all of which are central to motive power at Fanshawe. The circular arrangement also suggests both movement and progress, but while technology drives the program, people are at its centre. That lesson – working with and serving people – is the foundation on which Fanshawe's Transportation Technology programs are built.

Academic Dress

Academic regalia are the items of traditional dress for academic settings, worn by a graduate to show their academic achievement. The wearer has been “admitted to scholarship” – that is, they have been granted a certificate, diploma or degree.

In the past, academic regalia were worn at an institution on a daily basis, but these days, such dress is only seen at ceremonies. Each institution has its own distinctive look, generally consisting of a gown, occasionally a hat (cap, bonnet or mortar board), and a hood, liripipe or scarf, often to identify the branch of knowledge in which the wearer has achieved recognition.

At Fanshawe College, graduating students (“graduands”) wear red gowns and receive either a distinctive red scarf with a white border (when graduating with a diploma or certificate), or a black hood with white chevrons on a red background (when graduating with a degree). Anyone who is a Fanshawe graduate may wear a black gown and the appropriate Fanshawe scarf or hood.

Today you may see other gowns, headgear, and hoods or scarves. Our guests, faculty and staff are encouraged to display with pride the academic regalia for their institution and credential.

Lyrics of “O Canada”

O Canada!

Our home and native land!

True patriot love in all of us command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide,

O Canada, we stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

CONGRATULATIONS!
