PLACEMENT AGREEMENT

Thank you for accepting our offer of admission. An essential component of your education will be experiential learning through clinical or field practice relevant to your chosen profession. In order to ensure high standards and quality educational offerings which will permit students maximum opportunities to achieve learning objectives, Fanshawe College reserves the right to place students in an agency or combination of agencies it determines to be appropriate. While every effort is made to maximize use of local agencies, there is sometimes a need to place students outside of the area for some programs or portions of programs.

Accordingly, your admission is subject to the condition that you must be prepared for the possibility of assignment to experiential learning outside of the area, and for the possibility of having to relocate, at your own expense, for all or a portion of this experience. You are responsible for all costs associated with Clinical and/or Field Placement, (including volunteer hours).

Please indicate your understanding and acceptance of this condition by completing ALL information and signing below.

We look forward to welcoming you as a student at Fanshawe College.
