College Policy Changes: **SEPTEMBER 2024**

College Policy Manual Changes for September 9, 2024

STD01 Standards for College Policies

Amended: August 30, 2024

This standard was due for its five year review. Guideline B now includes a bullet under item #3 that notes that the “Policy Sponsor is responsible for consulting with stakeholders who share a role in executing the policy.” A few cosmetic changes were made as well but nothing else substantive.
