

# Simcoe Guide

WINTER 2025

[fanshawec.ca/simcoe](https://fanshawec.ca/simcoe)

# WHY STUDY IN SIMCOE?

There are many benefits to studying at a smaller campus:

- ▶ Programs designed to prepare you for high demand careers in our community
- ▶ Small classes with easier access to faculty experts and student supports
- ▶ Strong partnerships with regional employers
- ▶ Familiar faces and fun campus activities to add to your student experience
- ▶ Lower fees and free parking

## IN THIS ISSUE:

- 4** Full-time post-secondary programs
- 8** Short-term training programs
- 12** Professional development courses
- 16** General interest courses

# FULL-TIME POST-SECONDARY PROGRAMS

Our programs provide exceptional learning opportunities, student support and industry connections to prepare you for career success. For the latest details, visit [fanshawec.ca/simcoe](http://fanshawec.ca/simcoe).

## Adventure Expeditions and Interpretive Leadership

Diploma (60 weeks)

Apply now for September

If you have the mind for business, a passion for nature and a love of adventure, then this program is meant for you. You'll learn the ins and outs of the growing eco tourism industry. By graduation, you'll have expertise to design programming, lead nature expeditions, manage authentic learning experiences and even build your own business! For more information, visit [fanshawec.ca/ael2j](http://fanshawec.ca/ael2j)

## Agri-Business Management

Graduate Certificate (36 weeks)

Apply now for January or May

This exciting program is for those wanting to enter a career in the dynamic agricultural sector at the supervisory level or to manage relationships in an agri-business environment. From farm to fork and everything in between, graduates will have the opportunity to seek employment in a wide variety of agricultural businesses within one year! For more information, visit [fanshawec.ca/agm2](http://fanshawec.ca/agm2)

## Developmental Services Worker

Diploma (Accelerated 48 weeks)

Starts every 6 weeks - apply now!

If you have a passion for others, this program will show you how to properly care for people with developmental disabilities in only one year. Program starts every 6 weeks! Combine with ECE and complete both programs in 18 months! For more information, visit [fanshawec.ca/dsw5j](http://fanshawec.ca/dsw5j)

## Early Childhood Education

Diploma (Accelerated 48 weeks)

Starts every 6 weeks - apply now!

Your love for child development can translate into a rewarding career of Early Childhood Education. You'll be ready to help shape the minds of our next generation in only one year. Program starts every 6 weeks! Combine with DSW and complete both programs in 18 months! For more information, visit [fanshawec.ca/ece5j](http://fanshawec.ca/ece5j)

## Personal Support Worker

Certificate (30 weeks)

Apply now for January, May, or September

A compassionate heart is what is needed in this 8-month program. Learn how to care for people in need, such as the elderly, the chronically ill and people with physical disabilities. This program will start your path to a high-demand career working in long-term care facilities, retirement homes, hospitals or community agencies. For more information, visit [fanshawec.ca/psw6](http://fanshawec.ca/psw6)

## Practical Nursing

Diploma (63 weeks)

Apply now for September

Practical nurses in Ontario play an integral role in the health care sector by administering some medications, performing medical procedures, and promoting healthy lifestyle choices to patients, families and caregivers. If you're excited about the opportunity to begin an in-demand career built on respect and a highly specialized set of skills, Fanshawe's Practical Nursing program will move you closer to your dream. For more information, visit [fanshawec.ca/png5](http://fanshawec.ca/png5)

## POST-SECONDARY PROGRAMS (CONTINUED)

### Social Service Worker

**Diploma** (60 weeks)

*Apply now for January, May, or September*

This two-year Social Service Worker program is designed to prepare students for basic social work practice in social agencies and social welfare programs by providing them with a sound knowledge of human behaviour, individual and social problems, and of the necessary helping techniques and skills. For more information, visit [fanshawec.ca/ssw1](https://fanshawec.ca/ssw1)

### Supply Chain Management (Co-op)

**Graduate Certificate** (30 weeks)

*Apply now for January or May*

This one year post-grad supply chain management certification is designed for university and college graduates looking to specialize in supply chain and logistics. You will be trained to join private or public sectors in the areas of goods and services sourcing, transportation coordinating, and inventory and distribution management. You will also learn how to analyze using computer software and accounting skills, how to communicate in a professional manner, how to assess risk, and how to develop your negotiating skills. For more information, visit [fanshawec.ca/scm2](https://fanshawec.ca/scm2)

### Welding Techniques

**Certificate** (30 weeks)

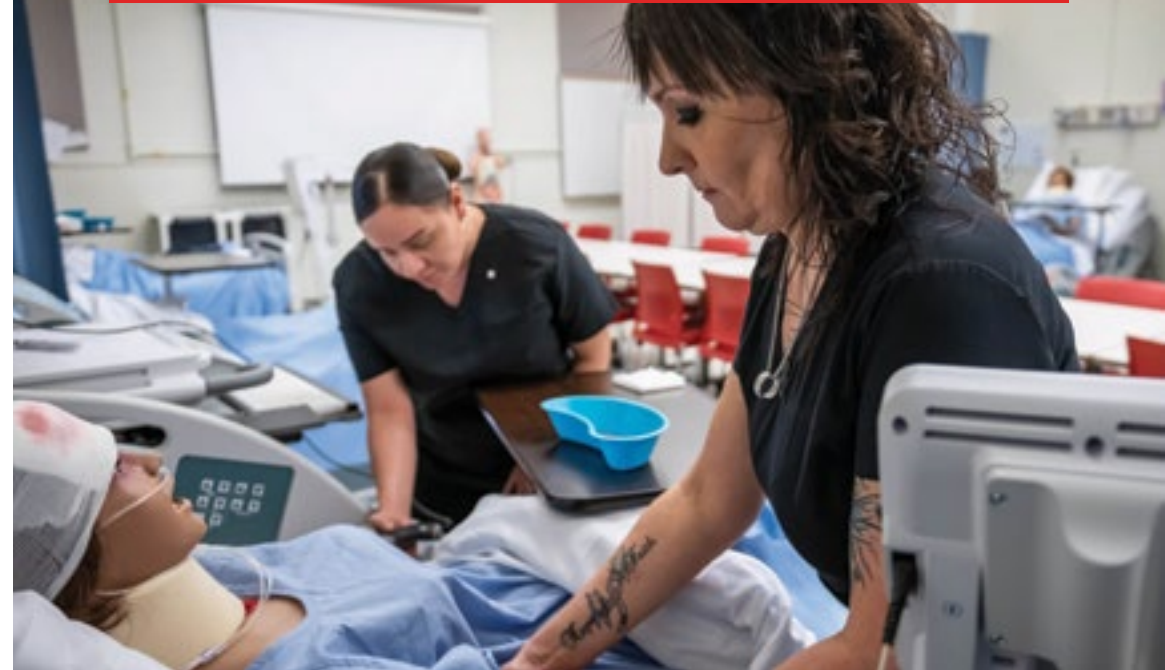

*Apply now for January*

Learn a wide range of welding skills in both the classroom and in the real world. This 8-month certificate, which includes a 120-hour work placement, prepares you to write your welding tickets and to begin working in this high-demand field. For more information, visit [fanshawec.ca/WTQ1J](https://fanshawec.ca/WTQ1J)

# PROFESSIONAL DEVELOPMENT PROGRAMS

## FIRST AID & CPR COURSES

### Standard First Aid with CPR Level C & BLS (Basic Life Support)

These comprehensive courses are for those who require the skills and knowledge to respond to emergencies in the workplace and/or home. The courses cover topics from CPR to prevention of disease transmission and everything in between. Red Cross certification is awarded upon successful completion.

COURSE	CODE	L	DATES	DAYS/TIME	COST
Standard First Aid with Level C CPR and Basic Life Support (BLS)	HLTH-9227-01SC	C	Jan 11 - 12	Sat. & Sun. 8 a.m. - 5 p.m.	\$175 + HST ■
Standard First Aid with Level C CPR and Basic Life Support (BLS)	HLTH-9227-02SC	C	Jan 25 - 26	Sat. & Sun. 9 a.m. - 5 p.m.	\$175 + HST ■
Standard First Aid with Level C CPR and Basic Life Support (BLS)	HLTH-9227-03SC	C	Feb 19 - 20	Wed & Thu 9 a.m. - 5 p.m.	\$175 + HST ■
Standard First Aid with Level C CPR and Basic Life Support (BLS)	HLTH-9227-04SC	C	Feb 22 - 23	Sat. & Sun. 8 a.m. - 5 p.m.	\$175 + HST ■
Standard First Aid with Level C CPR and Basic Life Support (BLS)	HLTH-9227-05SC	C	Mar 22 - 23	Sat. & Sun. 8 a.m. - 5 p.m.	\$175 + HST ■

### Basic Life Support (BLS)

**HLTH-9340-01SC** \$65 + HST  
Thursday, January 16, 5 - 9 p.m.

Designed for in-facility care providers such as nursing staff, care aides, medical and dental professionals, and pre-hospital care providers. This course takes the place of the former HCP Level of Standard First Aid / CPR and will be required for PSW students to take their placements. Upon successful completion, students will receive 1 year certification in Basic Life Support from Red Cross.

### Principals of Accounting 1

**ACCT-1100-10SC** \$297.40 + text \*  
Jan 21 - Apr 29 | Tuesdays 6 - 9 p.m.

Part of the Accounting Essentials certificate program. This course introduces the student to the Principles of Accounting, and includes an exploration of the underlying concepts that guide the preparation of accounts for individuals and organizations. It is designed to teach the student, regardless of program destination, an essential life skill - an understanding of Net Worth, and its importance to business success and the financial well being of the individual.

### Applied Computer App's for Accounting 1

**ACCT-1097-10SC** \$297.40 + text \*  
Jan 22 - Apr 30 | Wednesdays 6 - 9 p.m.

Part of the Accounting Essentials certificate program. This course provides students with computer and accounting software skills with specific focus on Microsoft Excel. Throughout the course, emphasis is put on software utilization within accounting situations and use of accounting specific functions.

### Mental Health First Aid

**HLTH-9260-01SC** \$249 + HST ■  
Tuesday, February 18, 9 a.m. - 5 p.m.

Just as a physical aid is administered to an injured person, MHFA teaches you how to help someone showing signs of a mental health problem or experiencing a mental health crisis. It also provides an overview of common mental health problems, causes, symptoms, treatments and referrals. This course is designed for anyone who may come into contact with a person with a mental health problem.

# MICRO-CREDENTIALS

Shorter in duration, and developed based on industry demand, micro-credentials are the perfect way to develop specific skills and help you grow in your career.

- ▶ Earn digital badges when you complete your training;
- ▶ Stack your badges to level-up your training and earn series badges to demonstrate your mastery in a specific area;
- ▶ Share your badges on social platforms to enhance your profile in job searches.

## Risky Play and Safety in Outdoor Education

EDUC-1106-40JMC \$285 ●

*Continuous Intake*

This micro-credential will provide students with the necessary knowledge, skills, and experiences to initiate and develop an outdoor education program that supports risky play, self-regulation and safety among children. You will explore the education theories of risky play and self-regulation, while also providing the skills necessary to develop a safe outdoor education program. Curriculum topics include, self-regulation, risky play, risk management and safety. Class hours: 20

## The Outdoor Classroom

EDUC-1107-40JMC \$490 ●

*Continuous Intake*

This micro-credential will provide students with the necessary knowledge and skills to initiate and design an outdoor classroom for children. You will explore experiential education theories and hands-on methodologies. Curriculum topics will include outdoor education pedagogy, loose parts and natural materials, designing an outdoor classroom, etc. Total class hours: 40.

# Additional Qualifications (AQ)

Fanshawe College is excited to deliver Additional Qualifications (AQs) through the Ontario College of Teachers (OCT)

## WINTER 2025 OFFERINGS

### Kindergarten Part 1

EDUC-6045-40SC \$650 + HST

*Continuous Intake. Contact us to register!*

This online, asynchronous class focuses on the importance of play-based environments that promote the physical, social, emotional and cognitive development of children.

### Kindergarten Part 2

EDUC-3020-40SC \$650 + HST

*Continuous Intake. Contact us to register!*

This online, asynchronous course uses a critical lens to explore, apply, and deepen your knowledge of the Kindergarten program and a play based pedagogy. You will build on your professional practice by engaging in relevant and contextual activities that deepen your understanding of Kindergarten best practices.

Learn more: [fanshawec.ca/AQ](https://fanshawec.ca/AQ)

# GENERAL INTEREST COURSES

Your learning never has to stop. Whether you'd like to upgrade your skills for employment or want to learn something new for fun, we've got something for everybody.

## Conversational Spanish 1

SPAN-9004-01SC \$215 + HST + text \*

Feb 4 - Apr 8 | Tuesdays 6:30 - 9 p.m.

This course is for the beginner student who wants to gain basic knowledge of the Spanish language. The main goal of this level is vocabulary building, basic phonetics, and understanding the base of the language. This basic course is useful for people who are planning to do business or visit Spanish speaking countries.

## Conversational Spanish 2

SPAN-9021-01SC \$235 + HST \*

Feb 6 - Apr 10 | Thursdays 6:30 - 9 p.m.

This course builds on the skills acquired in Conversational Spanish 1. It is for the intermediate level student who wants to expand their knowledge of the Spanish language. The main goal of this level is expanding vocabulary, phonetics and the familiarity with the language.

## Digital Camera Basics - Level 1

PHOT-9016-01SC \$75 + HST ■

Wednesday, Feb 5 - Thursday, Feb 6, 6:30 - 9 p.m.

Learn what all the buttons mean and what they are used for on your Digital SLR camera. Learn about basic picture taking, lighting, and posing subjects. Indoor and outdoor photography, what adjustments need to be made for lighting, and settings on your camera will be covered. Loaner digital cameras available.

## Digital Camera Basics - Level 2

PHOT-9076-01SC \$85 + HST ■

Wednesday, February 19 - Thursday, February 20  
6 - 9 p.m.

Building on what you learned in the beginner class, you will learn how to use and experiment with the manual camera settings. You will also learn about basic colour correction and photo manipulation. Bring your Digital SLR camera and learn more valuable skills to get the most out of your camera.

## Intro to Figure Drawing

ARTS-9205-01SC \$299+ HST ■

Feb 5 - Feb 26 | Wednesdays 6 - 9 p.m.

Figure drawing is a fundamental practice and skill of high level artists. Today, every form of art benefits from a habit of drawing from life, including drawing the human figure. Animation, comic books, painting, sculpture, to name just a few. All these areas of discipline have figure drawing as their skeleton. In this Introduction to Figure Drawing class, you will learn how to see the energy of a pose from a live costumed model, and bring that to the page, using a variety of tools. This skill will allow you to create unique and life-like figures in your own art.

## Wines of Ontario

BEVR-1009-01SC \$270.98 + HST ■

Feb 12 - Apr 2 | Wednesdays 6 - 9 p.m.

An introduction to the wines of Ontario, topics include: vineyard conditions, V.Q.A. wine regions, how to choose wines as well as match with food, tasting tips and wines for your health. You will get to experience some great wines that will help you gain an appreciation for sensory evaluations. This course includes the test for the Wine Council of Ontario's (WCO) Certification. Great intro course for anyone with an interest in wine and/or working with wine. Students must be 19 years of age.

## Wine 101

BEVR-9025-01SC \$85 + HST ■

Wednesday, Jan 29, 6 - 9 p.m.

The basics of everything you want to know! How to Taste - Grape Varietals - Glassware - Cellaring & Buying! Students must be 19 years of age.

## Wine 102: Food and Wine Pairing

BEVR-9037-01SC \$95 + HST ■

Wednesday, Feb 5, 6 - 9 p.m.

Wine 102 brings focus on understanding the components of food and wine, exploring the "why" and "how" as well as the do's and don'ts of food and wine pairing.

## Cannabis as Medicine 101

PHRM-9000-01SC \$60 + HST ■

Saturday, Feb 1, 10 a.m. - 2:30 p.m.

Join us for an educational session where you'll learn about the properties of medicinal cannabis and how it works in your body. We'll cover various consumption methods, how to choose the right cannabis for you and learn how to safely dose. We'll delve into recipes and some 'how to's' so you can incorporate cannabis into your wellness routine. Let's explore the world of cannabis as a therapeutic option in a responsible and informed manner.

## GENERAL INTEREST COURSES (CONTINUED)

### Cannabis as Medicine 102: How to Grow & Harvest Outdoors

PHRM-9006-01SC \$45 + HST ■

Saturday, March 1, 10 a.m. - 12:30 p.m.

This comprehensive session will guide you through the entire process of cultivating cannabis outdoors, from selecting the right seeds to harvesting and curing your plants. You will learn about different strains, optimal growing conditions, pest and disease control. Also covered is knowing when it's time to harvest, the different techniques, curing, storage and legalities. Recommended that you have attended Cannabis as Medicine 101, but it is not a prerequisite.

### MS Office Clinic

COMP-9707-01SC \$129 + HST ■

Mar 18 - Apr 1 | Tuesdays 6 - 9 p.m.

Microsoft Office is a set of desktop applications that offer flexible and powerful ways to organize, manage and present information. Most commonly used in an office setting, knowledge of MS Office tools are a must for anyone in today's job market. MS Office helps to improve work efficiency with user friendly features that enable easy and secure information sharing. This software provides resources for professional presentation of data that is compatible with most operating systems. Whether you are looking to expand your MS Office skills for personal use, embarking on a new career or working towards career advancement, this training is what you are looking for!

### Vehicle Maintenance

AUTO-9016-01SC \$425 + HST \*

Feb 6 - May 15 | Thursdays 6 - 9 p.m.

No classes on Mar 13

Students will learn how to repair and maintain their vehicles from a licensed mechanic. The major systems of the automobile will be covered and students will apply what they learn to their own vehicle in a fully equipped service bay. Classes will be split between 1 hour of theory and 2 hours of hands-on, practical learning in the shop.

Location: Holy Trinity Catholic High School in Simcoe.

### Small Engine Repair

MECH-9038-01SC \$425 + HST \*

Feb 5 - May 14 | Wednesdays 6 - 9 p.m. / No classes on Mar 12

Learn how to maintain and troubleshoot small engines such as motorcycles, snowmobiles, chainsaws and lawnmowers. Two and four stroke cycle operations will be discussed along with topics surrounding fuel, spark, compression, lubrication, storage and maintenance. Students will apply what they have learned in class to their own small engine project or one may be provided upon request. Classes will be split between 1 hour of theory and 2 hours of hands-on, practical learning in the shop.

Location: Holy Trinity Catholic High School in Simcoe.

### Welding Technology

WELD-9043-01SC \$699.00 + HST \*

Feb 4 - Apr 8 | Tuesdays 6 - 9 p.m.

This non-graded course will be a combination of technique and hands-on learning based on your skill level. Everyone from beginners to experienced welders are welcome, whether it's to learn the basics of the trade from a certified welder or to enhance their skills and have use of our weld shop. This is also the perfect opportunity to practice and prepare for CWB tickets.

*Note: Students must provide their own gloves, six inch safety boots, safety glasses, pliers, chipping hammer and welding helmet.*

### Woodworking Basics - Level 1

WOOD-9025-01SC \$165+ HST ■

Saturday, Feb 8, 9 a.m. - 4 p.m.

A fun course designed to expose beginners to woodworking in a safe and positive environment. You will learn to safely use hand tools and power tools to complete a small project to take home at the end of the day.

Class is held at Holy Trinity Catholic High School.

### Woodworking Basics - Level 2

WOOD-9026-01SC \$175 + HST ■

Saturday, Feb 22, 9 a.m. - 4 p.m.

This workshop will build on the skills learned in the Level 1 class and encourage students to use woodworking tools in a safe and positive environment. You will again learn new skills and complete a small project to take home at the end of the day.

Class is held at Holy Trinity Catholic High School.

### Woodworking Basics for Teens

WOOD-9027-01SCC \$175 + HST ■

Saturday, Mar 22, 9 a.m. - 4 p.m.

Similar to our Woodworking Basics - Level 1 class, but for those in the 13-17 age range. This is a fun course designed to expose youth to woodworking in a safe and positive environment. You will learn to safely use hand tools and power tools to complete a small project to take home at the end of the day.

Class is held at Holy Trinity Catholic High School.
