HONOURS BACHELOR OF COMMERCE (MANAGEMENT) PATHWAY

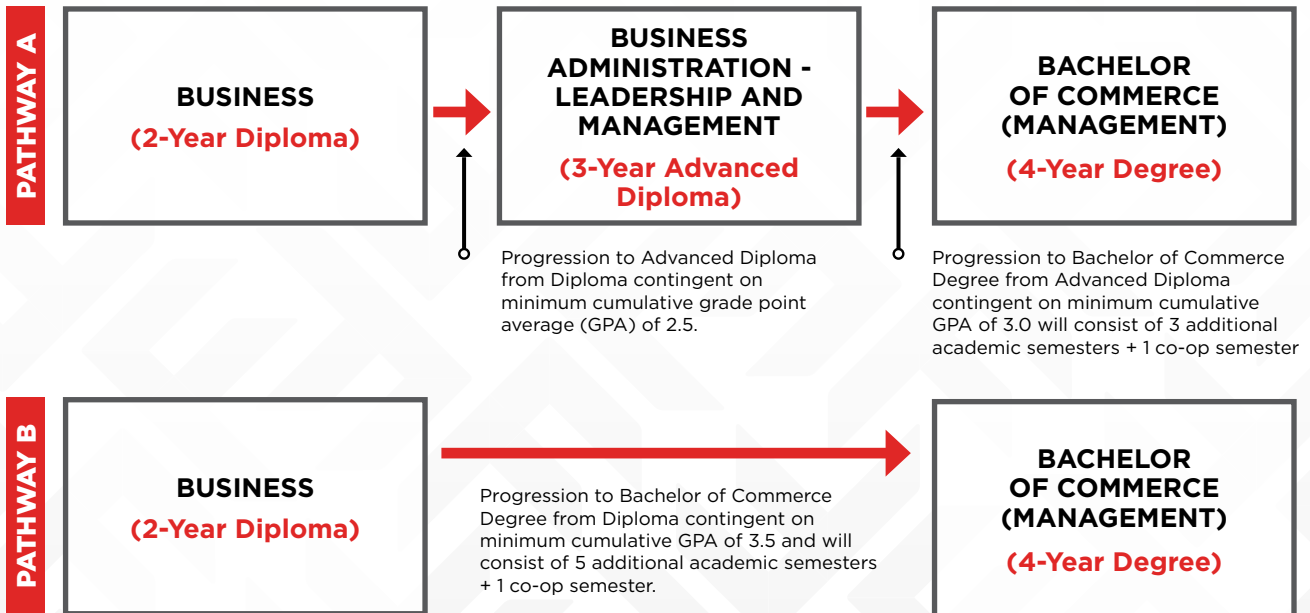

Honours Bachelor of Commerce (Management) Degree

Students will study core fundamentals of business including business strategy, marketing, accounting in addition to a variety of management courses including small business management, leadership & management and managing customer relationships. The curriculum emphasizes that organizational success is achieved through effective leadership and is driven by people in all areas and departments within an organization.

This four-year, honours level degree includes a mandatory paid co-op work term between semesters 7 and 6. Graduates may be eligible for the Project Management Institute educational component for the Certified Associate in Project Management (CAPM) certificate. Cross-functional courses combined with applications in sustainable business practices and effective ethical leadership from a local, national and global perspective will prepare graduates for a wide range of employment opportunities. Graduates will thrive in management and leadership roles across a variety of sectors, including public organizations, small, medium and large enterprises, family businesses and as entrepreneurs.

Bachelor of Commerce (Management) Degree Admission Requirements*:

- ▶ Advanced Standing Entry — Semester 4 with an Ontario College Diploma (3.5 GPA) in Business or Semester 6 with an Ontario College Advanced Diploma in Business Administration-Leadership & Management (3.0 GPA)
