

College Policy Changes: **JANUARY 2025**

College Policy Manual Changes for January 15, 2025

A128 Student Academic Appeals

Amended: Dec. 18, 2024 (CC-24-03)

This policy has been amended to support the inclusion of the new Appeals process in policy A136: Academic Integrity. Additionally, changes have been made to remove some contextual guidance that cause misunderstanding for students. The policy did not undergo a full review, the next regular review remains May 2026.

A131 Evaluation of Student Learning

Amended: Nov. 27, 2024 (CC-24-02)

Effective: Jan. 1, 2025 and another version effective Sept. 1, 2025

This policy was amended to address two topics:

1. The use of AI during the evaluations process, ensuring that student work is not submitted to AI for the purposes of assigning grades.
2. A change to provincial requirements regarding fees paid by a student to access an evaluation. Students should not have to pay a separate charge to access any evaluation used in their class unless certain exceptions regarding the unique manner of assessment are applied.
3. One section regarding the use of fees to access a test has been approved by College Council, but will not take effect until September 2025 in order to allow schools to amend curriculum where necessary.

The policy did not undergo a full review, the next regular review remains May 2027.

A136 Academic Integrity

Amended: Dec. 18, 2024 (CC-24-03)

This policy has been amended to create a dedicated Appeals process solely for Academic Integrity offences. The policy did not undergo a full review, the next regular review remains May 2026.
